

Anthony Wayne Local Schools

Anthony Wayne Local Schools empowers students to be future ready!

Central Administrative Office

Thursday, June 1

Anthony Wayne Families,

We did it! This past year was filled with outstanding academic, extracurricular, and athletic success that we love to see across the District. It was exciting to see our students enjoying the many, many successes during the 2022-23 school year.

While the academic year has finished, we still have student-athletes competing at the state level and we wish our baseball, softball and track and field athletes the best as they continue tournament play. Go Generals!

IMPORTANT: Returning Student Registration Begins Monday, June 5

The District will be using FinalForms FinalForms to complete this important process. Many Anthony Wayne families already use FinalForms for athletics, and we are excited to be able to streamline and simplify the registration process by using one provider. *Watch your email for more information.* [Click here for important instructions for setting up your child's FinalForms account and completing Returning Student Registration.](#)

Summer Office Hours

The Central Administrative Office and each school building are now operating under summer office hours. [Click here to view the week-by-week summer office hours calendar.](#)

Back to School 2023-24

In order to give you as much time as possible to plan for next year, we have once again created a Back to School webpage. Open house dates, handbooks, school supply lists and other important information will be posted as they are available. [Click here to visit the Back to School webpage.](#)

Board of Education Meeting: Wednesday, June 28

The Anthony Wayne Board of Education will hold its regular meeting at 8:00 a.m. on Wednesday, June 28 at the Central Administrative Offices. [Click here to view the meeting online if you are unable to attend in person.](#)

Family Week: July 1-9

Each year, the District sets aside a week for families to rest and relax without the commitment of school activities. Please take this opportunity to enjoy time together as a family and make some special memories! [Click here for the District events calendar.](#)

Enjoy a safe and restful summer!

Sincerely,
Dr. Jim Fritz, *Superintendent*
