

Anthony Wayne Local Schools

empowers students to be future ready!

ABOUT THE AW GENERALS NETWORK

The AW Generals Network is an initiative launched by Anthony Wayne Local Schools to advance its mission of empowering students to be future ready. Thanks to the collaboration of area businesses, organizations, recruiters and educational institutions, students in grades K-12 will discover how their interests and talents align with opportunities for future employment, enlistment and education. These career awareness, exploration and planning activities will prepare students for success beyond the classroom.

HOW THE AW GENERALS NETWORK BENEFITS STUDENTS

Thanks to the active participation of network members, students will be exposed to a variety of age-appropriate opportunities to explore options for after high school from field trips and classroom speakers to internships, job shadowing and employment.

HOW THE AW GENERALS NETWORK BENEFITS ANTHONY WAYNE LOCAL SCHOOLS

The Generals Network will serve to bolster the District's mission to empower students to be future ready. This partnership helps Anthony Wayne Local Schools to provide career awareness, exploration and planning activities which serve to strengthen the work related the district's strategic planning goals related to student learning, resources for student success and community engagement.

HOW THE AW GENERALS NETWORK BENEFITS PARTNERS

Members of the AW Generals Network serve as liaisons between the classroom careers, raising awareness of the types of employment opportunities that await students after graduation. They benefit from working directly with eager students ready to discover how their interests and talents align with in-demand jobs in our community. Additionally, network members:

- Will be recognized on the District's website
- Will receive a decal indicating they proudly support AW students
- Can post employment opportunities on the AWHHS Job Board
