

Class of 2025

SENIOR YEARBOOK PICTURE

Your senior yearbook picture needs to be taken by Prestige Photography by October 31, 2024.

There is NO cost to this, regardless of when you have it taken.

Please wear something formal. This could include a button down shirt, tie, or blazer. Please no hats, graphic tees or hoodies.

If you'd like, you can schedule a senior session with Prestige. Many seniors will do this over the summer. Along with your session, you will get your yearbook headshot taken in July at AWHS.

You can have a photography studio, friend, family, etc. take your senior pictures. If you do this, you will still need to have your yearbook headshot taken by Prestige.

Prestige will not be at Penta. If you are attending Penta, please get your picture taken in July or on registration day.

The Road Show in July will be the best option for fall athletes and band members. Registration Day can be very hectic. If you have a sports or band practice and then need to get dressed up for a professional picture, you may be incredibly rushed. Some sports may even have games scheduled on Aug 12th. It is highly recommended these students schedule a yearbook picture in July to help limit their stress.
