

Athletic Expectations -

- Attendance at games and practice are mandatory. You may not leave practice early. If absent, it is the student-athlete's responsibility to contact her coach prior to practice. Unexcused absences may result in dismissal from a team.
- Punctuality and preparation are expected for all games and practices. If an emergency arises, DO NOT send word through a teammate. Contact your coach. Look at the schedule in advance. If there are any conflicts, take responsibility and notify the coach as soon as possible.
- The student-athlete is responsible for all academic work. If necessary, arrangements may need to be made with teachers for work that is missed.
- Dedication to your team and coach are vital. Athletics require self-discipline to reach team and personal goals.
- CMS student-athletes have a responsibility to represent their school at all times in a dignified and positive manner.
- Sportsmanship before, during, and after games is expected of each student-athlete.
- Follow all policies and procedures established by my district, coach and administrative staff.
- Be a great student, on time, turn in my school work, follow my teachers directions and pass my classes.

New for the upcoming season. All middle school students from our district and out of our district will need to be with a parent or guardian at all CHS athletic events. If you do not have a parent or guardian you will NOT be permitted to attend the event and will NOT be reimbursed for tickets.

Parents, please please, please, let the kids have a positive experience by being positive role models while attending athletic events. You will be escorted out of the event if you do not behave appropriately. You cannot yell, berate or treat the officials disrespectfully. Support our student athletes and coaches with respect. If you have an issue with a coach, do not confront the coach until 24 hours later. Coaches have been instructed to not engage in any conflict before, during or immediately after an event.
