We are very thankful to the family of Ann Mitchell for making a generous donation to our school to provide for an outdoor classroom space to honor Ann. She loved PES and enjoyed having class outdoors with her students. The four picnic tables will allow us to continue her legacy of working with our classes outside. By having 4 tables, we will be able to seat an entire class for an outdoor learning experience. Thank you to the Mitchell family for thinking of PES and sharing with us in this generous act of love.

# winter is here!
