

PARIS INDEPENDENT SCHOOLS

Fall Re-entry FAQ

Information accurate as of 7/10/2020, and subject to change as we receive new guidance from the Kentucky Department for Public Health and the Kentucky Department of Education.

NEW START DATE

First day for Students will be
Wednesday, August 26th

First day for Staff will be
Monday, August 17th

First day for Preschool students is
Wednesday, September 2nd

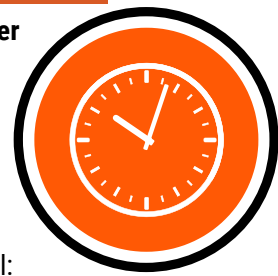

Updated academic calendars are located at
<https://www.paris.kyschools.us/>

SCHOOL TIME CHANGES

School will begin 15 minutes earlier
each day.

Paris Elementary:
7:35 am - 2:50 pm

Paris Middle and Paris High School:
8:15 am until 3:30 pm

INSTRUCTION

Students and families will have **two options** for this school year.

In-Person Learning - Every student, every day!

Paris Independent Schools are committed to opening our doors to in-person instruction each and every day. We do not intend to implement A/B schedules which would require students to attend on alternating days or weeks. We also plan to avoid half-day schedules.

Virtual Learning - Greyhound Academy

Parents and students may choose the Paris Greyhound Academy as a learning-at-home option. Chromebooks will be provided for students who choose in person and virtual learning

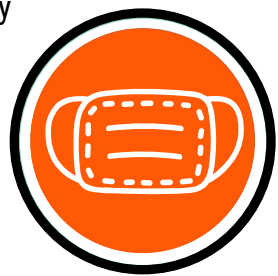

We will be contacting parents soon about whether they intend to send their students to school every day; OR if they prefer a virtual/distance learning option with the Paris Greyhound Academy.

SAFETY EXPECTATIONS

At minimum, Paris Schools will follow the Kentucky Department for Public Health and the Kentucky Department of Education safety expectations based upon the core measures to mitigate transmission.

These include:

- Social Distancing
- Screening, School Exclusion & Contact Tracing
- Personal Protective Equipment, including Cloth Face Masks
- Sanitation, Environmental, and Industrial Factor
- Temperature Checks conducted each day for all students and staff

EXTRACURRICULAR ACTIVITIES

We are currently awaiting guidance from the KHSAA and KMEA regarding school sports, band, and other extracurricular activities.

We will continue to follow these guidelines as they are updated. Coaches, Athletic Directors and Principals will keep parents and students up to date. At this time, no determination has been made about Fall activities from the KHSAA or KMEA.
