

UNION LOCAL SCHOOL DISTRICT

THE POWER OF

UL

JETS THINK...JETS CARE...JETS AIM High

October 27, 2021

Good Morning,

The Union Local School District has had one new case of COVID. This is in a staff member at Union Local Elementary. There are ten cases at Union Local Elementary School. Union Local Middle School has one active case of COVID. Union Local High School has two active cases of COVID.

Families are asked to report any positive cases of COVID within their child to their respective child's school nurse. Also, if the child may have been considered a close contact of someone with a positive case this should be reported to the school nurse.

The district is asking that families continue to complete daily at home monitoring of children prior to them coming to school. It is of the utmost importance that these steps be completed.

DAILY AT HOME SYMPTOM MONITORING

Morning Temperature: _____

- | | |
|--|--|
| <input type="checkbox"/> Fever or Chills | <input type="checkbox"/> New loss of taste or smell |
| <input type="checkbox"/> Headache | <input type="checkbox"/> Sore Throat |
| <input type="checkbox"/> Cough | <input type="checkbox"/> Congestion or runny nose |
| <input type="checkbox"/> Shortness of Breath or Difficulty Breathing | <input type="checkbox"/> Nausea or vomiting |
| <input type="checkbox"/> Fatigue | <input type="checkbox"/> Diarrhea |
| <input type="checkbox"/> Muscle or Body Aches | <input type="checkbox"/> Exposure to a positive COVID case |

Families should not send a child to school if any of the above symptoms are present in a student. Families should seek guidance from their child's respective school in return to school protocol. This can be obtained by speaking with the building nurse.

Sincerely,

**Ben Porter
Superintendent
Union Local School District**
