RE: Online School and November Schedule

DATE: October 16, 2020

Any families that wish to return their child to "In Person Instruction" from "Online Instruction" must do so by October 23, 2020. This is for the second nine weeks grading period. This can be done by calling the building for which your child attends.

Second, the Union Local School District will return to "In Person Instruction" 5 days per week beginning on November 2, 2020.
