IN PERSON/REMOTE LEARNING

- 1. In Person Learning is students attending the brick and mortar schools. Students are physically present in a school building.**
- 2. Remote Learning is a component for which students may engage with teachers or classmates while they are in their home environments.**
- 3. Remote Learning may involve pre recorded lessons, videos, notes, real-time discussions, and meetings.**
- 4. The curriculum provided during Remote Learning is in line with the materials and resources for which are provided during In Person Learning.**
- 5. Students may rotate between In Person and Remote Learning throughout a given week, month or year.**
