

Franklin B. Walter Outstanding Educator Award 2024

Delaware, Fairfield, Franklin, Licking, Madison, Pickaway, and Union Counties

The Franklin B. Walter award is given to an educator or team from each of the 16 State Support Teams in Ohio who have made extraordinary contributions to the education of students with disabilities. This award is given in honor of the late Franklin B Walter, Superintendent of Public Instruction from 1977 until 1991, a post held longer than any other state superintendent in Ohio's history. With over 50 years of service as a teacher and administrator, Dr. Walter's leadership is evident in many of Ohio's quality educational initiatives and programs. Among these is the development of the nation's first statewide plan for children with disabilities.

Who Can Be Honored?

The nominee(s) are recognized for outstanding work in one of three categories:

1. High-Impact Instruction

Individuals or teams of individuals who helped to **design and deliver instruction** which significantly increases or improves one of the following:

- Access to grade-level content for children with disabilities and other children most at risk, or
- Graduation rates and/or reduce the rate of dropout and/or suspension/expulsion for students with disabilities and other children most at risk (e.g. limited English, proficient, children from economic disadvantage), or
- Post-secondary outcomes (i.e., after high school graduation) for students with disabilities and other children most at risk (e.g. English language learners, children from economic disadvantage).

2. Systems Leadership

Individuals or teams of individuals who have **increased building or district capacity** to develop and implement one of the following:

- A school-wide behavior plan designed to address universal targeted and intensive strategies that led to a reduction in the frequency and/or intensity of problem behaviors,
- An academic plan designed to address universal, targeted, and intensive strategies that led to a reduction in the number of children demonstrating academic difficulties in reading and/or math,
- An integrated academic behavioral model of improvement that incorporates universal, targeted, and intensive strategies that led to a reduction in the need for special education services in a district or building and narrowed the achievement gaps for students with disabilities and other groups of children who are at risk, or
- Other district- or building-wide change initiatives which have improved academic and functional performance of children with disabilities and other children most at risk through other strategies not mentioned above.

3. Growing Great Schools

Individuals or teams of individuals who helped to create **safe, supportive, inclusive school environments** for students with disabilities or diverse learning needs, such as

- Bus drivers who inspire and motivate students with physical disabilities
- Students or staff who create clubs, groups, or other meaningful opportunities to socialize with or learn from students with disabilities, English language learners
- School secretaries who become part of the support system for students with emotional/behavioral difficulties, etc.
