November 10, 2022

Good afternoon Worcester Families,

This letter is to inform you of a situation that occurred today at Worcester Central School. At approximately 10:45 a.m. today, November 10, 2022, an individual at the school experienced a medical emergency. WCS followed our emergency response plan and initiated a Hold-In-Place to limit student and staff movement in order to provide adequate time and room to assist the individual. Out of precaution, an ambulance was called to the school and the Hold-In-Place was lifted at approximately 11:45 a.m. and classes resumed as normal.

I am very proud of how our students and staff responded today. They followed our established protocols to make sure that the individual was able to get the attention they needed. The individual was transported by the paramedics for additional medical attention, and we hope they feel better soon.

Respectfully,

Tim Gonzales
Superintendent
