January 11, 2021

Dear Worcester Families,

This message is to inform you that today, January 11, 2021, WCS learned that two additional students have tested positive for COVID-19. We are working with the Otsego County Department of Health and their established guidelines, to determine a list of people who may have had close contact and will be required to quarantine. Any person who is required to quarantine will be contacted individually by one of our administrators and the department of health should be following up with them as well.

Thank you again for your continued support, flexibility, and willingness to do your part to keep you and your family safe.

Respectfully,

Tim Gonzales
Superintendent
