April 27, 2021

Dear Worcester Families,

This message is to inform you that this afternoon, April 27, 2021, WCS learned that a student has tested positive for COVID-19. Working with the New York State Department of Health, and their established guidelines, we have identified all individuals who may have had close contact and will be required to quarantine. Any identified person as a close contact has already been contacted by our administrators and the department of health will be following up with them as well.

Please remember to complete the daily health screening before sending your child to school. If your child has any symptoms of COVID-19, please do not send your child to school, contact your health care provider and notify the school nurse at 607-397-8785 as soon as possible. Thank you again for your continued support, flexibility, and willingness to do your part to keep you and your family safe.

Respectfully,

A handwritten signature in blue ink, appearing to read 'Tim Gonzales'.

Tim Gonzales
Superintendent
