May 11, 2021

Dear Worcester Families,

This message is to inform you that today, May 11, 2021, WCS learned that an individual employed by the District has tested positive for COVID-19. Working with the New York State and Otsego County Department of Health and their established guidelines, any person who was determined to be a close contact and required to quarantine has been notified.

Our most important goal while educating your child is maintaining our school community's health and safety. We continue to follow our safety protocols and procedures by cleaning and disinfecting our building and buses daily, and closely monitor our capacity to provide in-person instruction safely.

Thank you again for your continued support and understanding while we continue to navigate the COVID-19 pandemic.

Respectfully,

Tim Gonzales
Superintendent
