

Remote Learning

The remote learning model will provide learning opportunities for students at their homes or an offsite location of their choice. Teachers will use virtual, electronics, textbooks, novels, and other teacher-created resources to instruct students. Students will not attend campus for in person instruction. It is important to note that this model will also be implemented in the event of a COVID-19 school closure of any kind when utilizing either of the hybrid or full in person scenarios.

In remote learning the teachers will provide synchronous and asynchronous learning through Google Meet and Google Classroom. Students who do not have internet access will be provided teacher created resources. These materials will be distributed by the WCSD. Learning, communication, and assessment will be conducted telephonically. In either internet delivered instruction or teacher provided resources, lessons will be aligned to the New York State Learning Standards. Students' completed work whether on-line or via teacher created resources will be assessed to determine a student's mastery of the learning standards.

REMOTE LEARNING PreK-12 SCHEDULE			
TIME	Monday, Tuesday, Thursday, Friday	TIME	<i>Mindful Wednesdays</i>
