January 31, 2020

Dear Parents and Guardians,

As a school district we are continuously monitoring and adjusting within our various departments to ensure the most efficient use of all our resources. Our transportation department has been closely monitoring our bus routes for student capacity and are experiencing a shortage of drivers. As a result, beginning Monday, February 10, 2020, we will be combining two bus routes that are under capacity. The Rabbit and Dinosaur bus routes will combine to be the Dinosaur route.

The combining of these bus routes will have minimal impact on our students and at the same time increase efficiency in our transportation department. Head bus driver, Mr. Eric Haley, will be reaching out to any family impacted to provide you with new pick up and drop off times.

We apologize for any inconvenience this may cause and thank you for your understanding as our transportation department optimizes its efficiency. If you should have any questions you may call Eric Haley at 607-397-8873. Thank you for entrusting us with your child's transportation.

Sincerely,

A handwritten signature in blue ink that reads "Tim Gonzales".

Tim Gonzales
Superintendent
