

## **Dear Students and Families,**

We are thrilled to welcome you to the 2024-25 school year at Logan Elm Middle/High School. Our team has worked diligently over the summer to ensure a smooth start. Detailed information about the upcoming year has been posted on our website and emailed to you through your Infinite Campus contact information. Below is a summary of key details:

### **Staggered Start Days:**

To help students adjust to their new classrooms and teachers, we have scheduled staggered start days:

- **August 22:** Grades 6, 9, and 11
- **August 23:** Grades 7, 8, 10, and 12
- **August 26:** First day for all students

### **Bell Schedule:**

The school day will follow the same schedule as last year: **7:35 AM - 2:10 PM.**

### **Infinite Campus Updates:**

Please ensure your contact information is up-to-date in Infinite Campus. Schedules have been released through this platform; students needing a paper copy will receive one during their Staggered Start Day.

### **School Supplies:**

We do not have supply orders for students. We ask families to provide the basics: pencils, pens, folders for organization, and notebook paper. Students do not need to transport large amounts of materials between classes, so bags for carrying supplies are not required. All bags must be stored in lockers.

### **Cell Phone Policy:**

For more detailed information, please visit our website. Cell phones are not permitted this year. All phones must be turned off and stored in lockers during the school day.

### **Communication:**

Our primary mode of communication will be through Infinite Campus emails. Please ensure your email address in Infinite Campus is current and regularly checked. Additionally, information and our calendar are available on our website and school app. If you haven't already, please download the Logan Elm Schools app by scanning the QR code below.
