2. Our plan is to offer some chat sessions on ZOOM so keep an eye on Google Classroom and your Logan Elm email for more information.
3. If you have internet difficulties, please let us know - we can offer some alternative activities. We would love for everyone to continue reading but we don't want to cause stress if you have connection issues. We'll figure out how to catch everyone up later!
4. Check Google Classroom/Logan Elm email for other activities - ie, answering posted questions, watching goofy teacher videos, links to additional Edpuzzles, etc.
