

Dear Parent/Guardian,

We are writing to notify you that your child is currently not on track to receive credit for their **Math/English/Science/Social Studies** course. Logan Elm High School currently offers two options for recovering this lost credit. The first option is our summer school program that will run May 31st through June 10th from 8:30am-11:30am held at McDowell Exchange School. During this time, students may recover 2 credits. One credit may be recovered during the class time and another may be recovered with outside work provided by our summer school teachers. The cost for summer school is \$50. However, if your child successfully completes the course, we will refund your \$50 fee. The second option is purchasing a Keystone Packet for \$116. Keystone provides a separate due date for work to be completed. Keystone registration can be completed at [Online Credit Recovery Programs | The Keystone School \(keystoneschoolonline.com\)](https://www.keystoneschoolonline.com)

Please monitor your child's progress towards credit during these final weeks of school. If they do not earn credit, please complete one of the forms and return it to the High School Guidance Office or call if you have questions.

Yours In Education,

Nate Smith
Principal
LEHS
