Dear Parent/Guardian,

We are writing to notify you that your child is currently not on track to receive credit for their Math/English/Science/Social Studies course. Logan Elm High School currently offers two options for recovering this lost credit. The first option is our summer school program that will run from June 3rd through June 13th from 8:30am-11:30am held at Logan Elm High School. The cost for summer school is \$50, however, if your child completes the course we will refund your \$50 fee. The second option is purchasing a Keystone Packet for \$116. These packets are mailed to your home and your son/daughter will need to complete this packet on their own time.

I have included registration forms for both options. Please monitor your child's progress towards credit during these final weeks of school, if they do not earn credit please complete one of the forms and return it to the BJ Walker or call if you have questions.

Yours In Education,

Nate Smith

Principal

LEHS
