

Prospect Heights School District 23 December 15, 2017

New Year...New Goals

With the start of a New Year comes the opportunity to set new goals. The Administration and Board of Education are embarking on a Strategic Planning Process in 2018 that will help set new goals for our school communities and the students we serve.

Your participation and input are critical in this process and I invite you to share your thoughts about the strengths and needs of the District.

The 5Essentials Survey will remain open through the month of December. In January, we will send a different survey to our community to help set the strategic plan for the District. On January 18th or 19th, Community Forums will be held at MacArthur middle school. These are open meetings for all members of the community to hear about the current State of the District, then participate in conversations about the strengths and needs of the District.

On behalf of the District 23 family of staff, administration, and Board I wish you and your family a very blessed holiday season, a relaxing and happy winter break, and best wishes in the New Year.

Dr. Angelaccio

STRATEGIC PLANNING COMMUNITY FORUMS

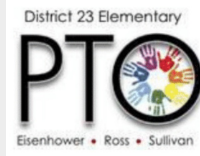

Join us January 17th or 18th, 7-8:30 p.m. @ MacArthur Theater

Let's Grow Together!

Engage
Envision
Enact

Please help the Strategic Planning Team by sharing your thoughts about community values, district strengths and challenges, significant issues you would like the District to address in the next three to five years, and your vision for the future of our school District.

Board of Education - Meeting Highlights December 13, 2017

Thank you Sullivan Tech Team

The Pledge of Allegiance was lead by representatives of the Anne Sullivan Tech Team. These students volunteer their time to support the use of technology in their classrooms by trouble shooting and solving basic tech problems for their classmates and teachers!

Building and Grounds Plan for Spring/Summer 2018

Director of Buildings and Grounds, Mr. Brian Rominski, provided the Board with an update regarding construction, repairs and enhancements completed to date across the District. He then shared the targeted projects for spring/summer 2018 to include: playground

enhancements, masonry work, painting, and renovations to a student restroom at MacArthur. Mr. Rominski shared projected costs and reviewed his allocated budget.

District 23 Financial Matters

Assistant Superintendent, Mr. Micheal DeBartolo facilitated three important information and action items:

- The Board approved the 2017 Property Tax levy. In accordance with the law, District 23 will receive approximately 2.1% more in local revenue due to the increase in the consumer price index. The CPI for last year's levy was 0.7%.
- The Board approved the 2017 Supplemental Property Tax Levy. By reporting its outstanding bond issuances to Cook County, the Clerk sets the property tax rate necessary to pay for the principal and interest on this money owed. The District does not have any role in establishing this levy amount, but the Clerk ensures that only the monies necessary for payment of the bonds is collected.
- The Board discussed Extended Day Program Fees for 2018-19 School Year. The comparison of District 23 to neighboring districts was presented on issues including fees, expenditures, revenues and program offerings. The Board is considering the fees to be charged for the next school year.

Strategic Planing Update

Dr. Angelaccio provided the Board with an update regarding the Strategic Planning process including the launch of the 5Essential survey that will be oped through December, 31, targeted focus group invitations being mailed out, and two Community Forums being held on January 17 and 18 at the MacArthur Little Theater.

Building Briefs

Beautiful Music..Outstanding Students!

Over the past two weeks, students from our Choir, Orchestra, and Band Programs shared their talents with gleeful crowds at their Winter Concerts. Their time and talent were evident throughout their performances. Thank you students for your hard work and dedication. Thanks also to our Vocal, Instrumental, and Music Directors, the students' parents, and PHIL (Prospect Heights Instrumental League) for their ongoing support for and development

of a passion for music in our schools and community.

Parent Support Night: Join us Jan. 11 - 6:00 p.m.

Come join other families with children with special needs to learn more about child behaviors and how to intervene. Please [return this FORM](#) to your child's homeroom teacher by Monday, Dec. 18.
