2024 Scholarship Information

The FUEA invites you to apply for the FUEA Scholarship for the 2023-2024 academic year. This scholarship is funded by donations of Fairfield Union School District staff. The mission of this scholarship is to support our district's students in their post-high school education. This is the 43rd year the scholarship will be awarded.

This is a one-time \$500 award per recipient. There will be two recipients this year. Recipients will also have their name imprinted on a plaque displayed at the high school and will be recognized at the Senior Awards ceremony in May. **Children of Fairfield Union teachers are given preference but are not automatic recipients.** The judging criteria are: financial need, academic achievement, extra-curricular activities, and course difficulty. A committee consisting of 9 district faculty and the scholarship chairperson will review applications and determine the recipients. The award will be applied to college tuition and/or related expenses.

Applications are available in Mrs. Swick's room or the High School Guidance Office.
