## **Around The World**

Embark on a global journey exploring diverse cultures! Join us to discover customs, culinary delights (bugs, anyone?), and travel habits that shape unique perspectives worldwide. Pack your bags for an enriching experience and embrace the global tapestry of our world!

## **Awesome Authors**

Fuel your creativity with wizards in rocket-ships, talking llamas, and princesses battling ninjas. Dive into creative writing, mastering character creation and nonstop action. Explore genres, brainstorm novel ideas, or craft short stories. Get ready to let your imagination run wild!

## **Beauty Boot Camp**

For beauty enthusiasts, this session is a must! Dive into various aspects of the cosmetology field, including hair, nails, esthetics, styling, braiding, makeup, and products. Get a hands-on introduction to each area and explore your passion for beauty!

## **Big Bang Boom!**

Embark on an exciting scientific journey! In this session, students will not only explore captivating science concepts but also immerse themselves in hands-on experiments. From the wonders of chemistry to the mysteries of physics and the environment, this experience promises to be both enlightening and thrilling. Join us for a memorable exploration of the fascinating world of science!

## **But It IS Rocket Science!**

In this session, discover the fascinating world of utilizing pressure to propel rockets into the sky. Engage in hands-on experiments, including the construction and launch of your personalized "rockets," to vividly demonstrate the principles we will discuss. Get ready for an exciting exploration of the science behind sending objects soaring into the skies!

## **Career Quest: Middle School Edition**

Gear up for an exciting exploration of career readiness! Campers will dive into diverse industries and professions, engaging in interactive activities and discussions that spotlight various career paths. The focus will be on introducing fundamental skills and interests, sparking curiosity as you navigate potential career avenues. Get ready for an inspiring journey into the world of possibilities!

## **Creative Minds**

The Creative Mind session nurtures creative thinking and cultivates essential 21st-century skills, empowering the next generation. Our goal is to provide a transformative and enjoyable experience that leaves a lasting impact. This program emphasizes hands-on experiences, critical thinking, problem-solving, and collaborative projects. Join us for a journey of innovation and skill development!

## **Culinary Arts Academy**

Indulge your taste buds in the Culinary Arts Academy! Join the chefs and culinary students from Eastland Culinary Arts Academy to unravel the secrets of crafting the perfect homemade pizza. Teams of campers will unleash their culinary creativity, making gallons of red and alfredo pizza sauce, pounds of dough, and mouthwatering toppings to create delicious masterpieces. Get ready for a two-day feast of flavor, fun, and culinary excellence!

## **DIY Builders**

Get ready to hammer, sand, and build your own marshmallow launcher in this session, mastering the basics of hand tools! Students will also craft and assemble string art and wood art to take home. Closed-toe shoes are a must for campers. Let the creativity flow!

## **Doctor's Office**

Campers get hands-on experience in the world of a doctor's office, taking charge of a patient's journey from check-in to check-out. Through engaging role-playing scenarios, students will immerse themselves in the decision-making processes of daily office operations, playing both the roles of patients and medical office staff for a comprehensive and interactive learning experience.

## Explore the Possibilities!

Embark on an exhilarating journey into your future! This session offers a thrilling opportunity for campers to explore a multitude of career pathways, unveiling the exciting possibilities that await. Get ready to ignite your passions and discover the thrilling world of potential futures!

## Exploring Careers for ALL

Discover an inclusive array of careers in technology, health care, fashion and culture, agriculture, and mechanics, alongside the full spectrum of options available at the career center. Emphasizing equal opportunities for all, this program highlights the importance of diverse representation, ensuring everyone has access to, and is welcomed in, various professions offered at the career center.

### Eye Heart Science

Campers will immerse themselves in hands-on activities exploring the intricacies of the human eye and heart. With the opportunity to participate in a cow eye dissection and a sheep heart dissection, participants will gain a deeper understanding of these vital organs.

### Fur and Feathers

Passionate about animals? Dreaming of a career as a veterinarian or working closely with them? Join this session to grasp small animal care essentials – from first aid and grooming to vaccinations and handling small pets. Plus, students take home a crafted animal keepsake from camp!

### Game Hunters

Ever wondered about the secrets behind creating a video game? Dive into the world of game development using free tools and resources! Learn to program two classic favorites – Snake and Duck Hunt. Come ready to embark on a knowledge-filled and fun gaming adventure!

### Green Thumb Artistry

Welcome to "Green Thumb Artistry," the ultimate camp session where the magic of planting meets the creativity of art. Campers, get ready for a garden extravaganza that combines the joy of growing with the thrill of artistic expression. Unleash your inner artist and get ready to decorate pots, become gardening gurus, and learn expert techniques that will have your green thumb glowing!

### Law Leaders

Unleash the excitement of law enforcement careers in our action-packed Law Leaders session! Campers will delve into the criminal justice system, discovering the intricacies of police officer duties through hands-on activities and engaging simulations. Gain insights from real-life professionals, igniting a passion for justice in this dynamic and thrilling exploration of law enforcement.

### Marketing Mayhem

Take the wheel in crafting and promoting your own food truck venture! Campers will conceptualize and craft unique themes and logos to captivate customers. Through the utilization of the 4 P's (product, place, price, and promotion), participants, whether individually or in teams, will collaborate on the intricacies of logistics and marketing strategies.

### Math Magic

Ready to unleash math-magic? Join us to master math tricks and tips that will leave your friends and teachers in awe. Immerse yourself in engaging activities and games, unraveling the art of mathematical thinking. This session is your key to strengthening skills and unlocking the mystery of math! Join us for an exciting journey into the world of math magic!

### PharmaFusion

Ever wondered what it's like to step into the world of pharmacies? Uncover the secrets of the pharmaceutical universe in "PharmaFusion"! Campers, get ready to mix, measure, and fill your way through the fascinating realm of prescriptions, medication safety, and the art of compounding, all within an immersive pharmacy setting.

## Pixel Pencils & Colorful Code

Unleash your creativity and dive into the exciting world of digital comics as you master the art of drawing, scanning, and colorizing your very own creations. Explore the digital realm where imagination knows no bounds, and bring your stories to life in vibrant, colorful detail. Get ready for a journey of artistic expression and digital storytelling!

## Safety Hero

Embark on a transformative journey as a Safety Hero! This extraordinary program empowers students with life-saving skills, delving into the art of CPR, expert wound care, and recognizing the signs of a stroke. Elevate yourself to the status of a Safety Hero and be equipped with the remarkable ability to make a difference in critical situations.

## Spark the Fire Within

Have you ever wanted to be a hero? Join us in this session to learn more about a day in the life of a firefighter! Learn about a firefighter's daily activities and participate in some hands-on skills that firefighters use throughout their careers.

## Sports Medicine Olympics

Sports and health care enthusiasts, this session is for you! Campers explore the world of sports medicine, learning skills like taping, ice bag crafting, and crutch navigation. Cap it off with the Sports Medicine Olympics – a head-to-head relay competition testing your knowledge and skills. Join us for an action-packed and educational adventure!

## The Tooth Be Told

The tooth be told, we're thrilled to invite you to a session dedicated to unraveling the wonders of the dental industry! Dive into this hands-on experience that promises an exciting journey, giving you the chance to discover the myriad benefits of a career in dentistry. Join us for an exhilarating and interactive dental adventure!

## Water-Powered Rockets

Join our Water Rocket Building Team for an exciting dive into aerospace engineering! Participants will design, construct, and launch water-powered rockets, exploring aerodynamics and propulsion principles. Guided by experienced instructors, campers will develop teamwork and creativity while gaining valuable STEM skills. Join us for an unforgettable adventure that combines science, engineering, and outdoor excitement!

## Wellness Wonders

Join us for a session of self-discovery and transformation with "Wellness Wonders"! In collaboration with Southeast Healthcare, middle schoolers will dive into the realm of wellness, guided by professionals. Explore the wonders of self-awareness, empathy, relationship skills, and social-emotional learning. This engaging session leaves students refreshed, equipped, and ready for the exciting journey that life unfolds.

## Ye Old Tin

Campers will channel their creativity using hand tools like awls, punches, and hammers to craft vintage-style tin decorations. With precut tin at their disposal, campers will design patterns, punch holes in the style of tin lanterns or pie safes, and even impress designs using various punches. It's a hands-on experience in the art of crafting timeless tin creations!
