## The Principal's Message

Dear Seniors,

Congratulations on an absolutely fantastic senior year! We started this year with the idea of being the best we can be each and every day...(Attitude, Attendance and Attempts +1), and you have definitely set a great example for the classes that will follow you in that and every other regard! I know this is such an exciting time in your life, and we are all anxious to share these last days with you. Fairfield Union really is, in many ways, like a family. Each graduating class has its own personality, and your class is leaving a legacy of achievement, competitive and performing success, support for each other, and just being first class all around! I am always amazed to see how positive the accomplishments of each of our graduating classes are and how much each of you has grown during your time with us. You have been outstanding!

I always make it a point to remind our seniors that while I know you are ready to take that next step and continue your journey in life, please take the time to slow down and enjoy this accomplishment with your friends and family; you have earned this! Lastly, never forget that you will always have a place here at Fairfield Union. Congratulations and best wishes on your many successes in your next adventure!

Good luck, and...

Go Falcons!

Mr. McPhail, Principal
