Flashback to fall sports at RMS

7th grade fall soccer improves throughout season

The 7th Grade soccer team last fall faced adversity throughout their season. The team was made up of a mixture of both 6th and 7th graders, with a defense led by Zachary Peck, Lily Brown, Carson Brown, Logan Seesholtz, Elias Lee, Mason Powell, Camden Azbell, and Pete Galella starting goalie for the squad. The offense consisted of Cameron LeMay, Gavin Wig, Parker Nakanishi, Kellen Nakanishi, Kilee Schwinn, and RJ Renko. Gavin Wig, Cameron Lemay, and Mason Powell assisted the 8th grade team in their tournament run.

During the season, the team improved immensely as they look forward to next season, competing in the MVL for a league championship.

Volleyball grows throughout season

The Falcons didn't have the season they were hoping to have, but it was still a great season with lots of memories. The 8th grade Lady Falcons had a record of 1-19 (including the MSL Tournament), with their win being against Hamilton Township. The record doesn't show it, but the improvement was drastic throughout the season. The 8th grade team had Laynie Price playing up for the season and Megan Maloney as a sub when needed. They contributed so much and they were a great addition to this team.

The 7th graders had a great first season with a record of 2-18. This team had so many leaders, and they were always there for each other. They were very hardworking and always showed up when they were needed. Their record doesn't even come close to show how well they played throughout the season. They were very supportive and all around had an amazing season.
