## **2024 After School Credit Recovery**

Students in grades 5-8 at risk of retention or failing a course are eligible to stay after school on Tuesdays and Thursdays for 1 hour to begin a “grade improvement program”.

For students that failed a class during the 1st or 2nd quarter the program will start on March 11th and end on April 5th. Sessions will start at 3:00 pm and end promptly at 4:00 pm. The form to participate is due by March 7th.

There will be an additional session for students that fail a class during the 3rd quarter or who need to make up additional classes from 1st or 2nd quarter. The second session will be April 15th through May 10th. Sessions will start at 3:00 pm and end promptly at 4:00pm. A separate form will need to be completed for the second session. and returned by April 11th for students to participate in session 2.

Fairfield Union teachers will provide educational support for students during this program. Participating students would be assigned coursework to “make-up” or improve previous assignments from earlier in the year. Students will have the opportunity to raise a failing grade in any one nine-week grading period by a maximum of 1 letter grade.

To participate in this program, parents will need to complete this form and return it to the office. Please note that parents will need to provide transportation home after the session.

If you have any questions regarding the After School Credit Recovery program, please contact Mrs. Haughn or Mrs. Rice at Rushville Middle School.

Sincerely,

Tricia Haughn and Dawn Rice

If you know the class or classes that need improvement, please list them below.

\_\_\_\_\_

\_\_\_\_\_

I fully understand that I am responsible for my behavior at this after-school extended learning program offered by Fairfield Union School District. I am being given an opportunity to improve my grades and I need to use this time wisely. Failure to do so could result in my removal from this program if my behavior is impacting the learning environment. If I am removed from this program, I am at risk of being retained in the same grade for the next school year. I am aware that students must attend 6 of 8 sessions and complete the assigned units for the grade to be improved.
