- **OPTION A:** The student/family will be financially responsible for all tuition and the cost of all textbooks, materials, and fees associated with the College Credit Plus course.
  - The student must inform the secondary school whether the student wants to receive college credit only or high school and college credit.
- **OPTION B:** The state of Ohio is financially responsible for the eligible course(s) in which the student chooses to enroll.
  - If Option B is selected, the funding for the course will be deducted from the secondary school and redirected to the college.
  - The student will receive high school and college credit.
- **COMBINATION OF OPTIONS A & B:** Student/family chooses to be responsible for all tuition, textbooks, materials, and fees for one or more courses. If this option is chosen, the student must inform the college which course(s) will be under Option A and which will be under option B.

Please consult with your school counselor for more information and to choose the option(s) that best suits your College Credit Plus endeavors. Your selection of Option A or Option B is tentative on this form. You must confirm your selection by your college’s no-fault withdrawal date. You must also inform your high school of your final selection.

## TEXTBOOK PURCHASING POLICY

The Ohio revised code § 3365 states that the School District is responsible for providing the instructional tools (“textbook”) to students enrolled in college/university courses. Fairfield Union Local Schools and students opting into the College Credit Plus will adhere to the following procedure:

1. Students will follow all guidelines for participation as outlined in the annual College Credit Plus informational meeting and Program of Studies.
2. Students will schedule their classes at the college/university.
3. Students determine their textbook needs for each course and then check with the High School Library for a copy of the text.
4. Upon completion of any college/university course, students must turn in texts to the High School Library.

Parents/Guardians and Students must be aware that textbooks for college/university courses are paid for by the District and thereby District property. Failure to turn in any text from a college/university course will result in the cost of the text(s) to be added to the student’s fees. Additionally, college/university coursework will not be awarded credit or added to the student’s transcript until texts are returned or paid for.

I, (Parent and Student) acknowledge by my signature below that I have read and understand the District’s College Credit Plus Textbook Policy and agree to the conditions set forth within said policy.
