MOV ESC Driving School, referred to as the driving school, agrees to provide the applicant, referred to as the student, the 24 hours of classroom instruction and the minimum of 8 hours of behind-the-wheel training based on the Ohio Driver Training Curriculum. The student will complete the 24 hours of required classroom instruction through Aceable, an Ohio approved online provider. MOV ESC Driving School will provide students with an account voucher for the online course. Before a student can begin the 8 hours of behind the wheel training, he must complete the online course and receive a Certificate Completion. The student will give the original copy of the Certificate of Completion to the Driver Education School Site Coordinator.

MOV ESC Driving School will furnish a licensed instructor and a motor vehicle for the behind-the-wheel instruction. It is strongly advised that a student complete a minimum of three additional hours per week of driving practice. It is through repeated practice that the skill is developed and perfected.

When all training is completed and paperwork is submitted to the Driver Education School Site Coordinator, MOV ESC Driving School will provide an Ohio Department of Public Safety (ODPS) Certificate of Completion of an Authorized Course of Driver Training. The student will take this certificate to the BMV when they take their driving test.

Tuition for the driver’s training program (online classroom training and the behind-the-wheel instruction) is \$350.00. A deposit of \$100.00 is required to begin. **All tuition must be paid before an ODPS Certificate of Completion is issued.** The online portion of the driver’s training course must be completed within **six (6) months of the start date**; for this contract that would be: _____ .

The school will give reasonable notice for delays caused by unsafe driving conditions, mechanical failures or any other reason over which it has no control. Behind-the-wheel instruction will be conducted in the counties relevant to the School Districts participating in the MOV ESC Driving School. We reserve the right to limit our service area. On most drives, students will be start from the MOV ESC Driving High School Site and dropped off at the address provided on the application or at the original pick-up location. No exceptions will be made unless mutually agreed upon by the Driver School personnel, parents of the student and school administrator of designee.

MOV ESC Driving School reserves the right to cancel this agreement at any time should the student's conduct indicate a lack of responsibility deemed necessary to safely operate a motor vehicle in the *opinion of the teacher*. Students suspended from school will not be allowed to drive during the suspended period. Proper attire must be worn at all times. Improper language will not be tolerated in the vehicle or any other time. No food in the vehicle. Soft drinks or water is allowable if the container has a lid. Cell phones will be silenced and put in purse or backpack in the back seat. No smoking. Provide 24 hours' notice if you need to cancel or reschedule your driving lesson. By law, a driving school cannot guarantee the issuance of a driver's license to the student. It should be emphasized that successful completion of the behind-the-wheel course does not and should not imply that the student is an accomplished driver. Your continued work with your son/daughter is essential to further develop strong driving skills. It is mandatory that you provide your child with a minimum of 50 hours of additional supervised behind-the-wheel driving.

The parent or guardian, or the person having custody, and the student, shall be jointly liable to the agreement. Driver training is licensed by the Ohio Department of Public Safety through the Driver Training Program, 1970 W. Broad St. Columbus, OH 43223.
