Letter of Intent to Participate in College Credit Plus

Student Name _____

Student Grade 2025-26 School Year _____

Parent/Guardian Name _____

During the 2025-26 school year, how do you intend to take college classes? (mark one or both):

_____ I plan to take college classes on the college campus or online. I understand this will require me to schedule with a CCP advisor at the college.

_____ I plan to take college classes offered at Pleasant. I understand that I will be able to schedule these classes during the high school scheduling process.

I would like to declare my intent to participate in the College Credit Plus program during the 2025-26 school year. I understand that signing this form does not require that I participate.

I also understand that it is my responsibility to notify my high school if I do not gain admission to my selected institution of higher education or choose not to participate for some other reason.

I will register for the required number of credits both the fall and spring semester and will not exceed 30 total semester hours in a school year. I also understand that my open campus privilege may be revoked if my College Credit Plus grade falls below a C average.

I certify that I have received counseling about the College Credit Plus program by either attending a CCP annual meeting or reviewing materials online. I agree to the guidelines and regulations of the state of Ohio, Pleasant Local School District, and the college. I understand my responsibilities and the benefits and risks of participating in the College Credit Plus program.

As a parent/guardian, I also acknowledge that I will be responsible for the welfare of my son/daughter in regards to any early release from Pleasant High School to attend College Credit Plus courses.
