

# Nursing-Bachelor's Degree Pathway

Students will need their transcripts evaluated to complete the RN to BSN program. In addition to your RN degree (approximately 60- 65 credit hours) students will need an additional 31 hours of approved general education credits, and 30 credits hours of BSN nursing courses. Thirty credit hours of the 121 total, must be completed at Marion Technical College, referred to as residency hours, with nursing courses totaling 30 credits. For a total of 121 credit hours.

Diploma prepared nurses will work with the program director to develop a plan for achieving an Associate of Science degree as a step to their BSN.

## **Approved General Education Courses (31 credit hours)**

Students will complete approved courses in:

6 credit hours in English-**English Comp I (3 hours); English Comp II (3 hours)**
