

College Credits @ Pleasant High School

Class offerings are subject to change due to instructor availability and number of student requests. Please see the guidance website for further certificate and degree course requirement descriptions. All certificate and degrees must be completed in coordination with an advisor from the higher education institution (Marion Technical College, etc.)

FALL

Intro to Psychology PSY 1100-3 Semester Hours Marion Technical College (Fall-MTC Instructor)

Pathway: Associate of Arts or Science Degrees, Psychology Degree, *Nursing Degree-required, Behavioral Health Certificate, Education Pathway, *Nursing Degree-required, Physical Therapy Assistant, Occupational Therapy Assistant, Medical Lab Technology Degree, Exercise Science Certificate, Criminal Justice Degree, Law Enforcement Degree, Mechanical Engineering Technology Degree, Robotics and Automation Technology Degree, Electrical Engineering Technology Degree, Cyber Security and Networking Degree, Software Development Degree, Software Development Certificate

Abnormal Psychology PSY1200-3 Semester Hours Marion Technical College (Fall-MTC Instructor)

Pathway: Associate of Arts or Science Degrees, Psychology Degree, *Nursing Degree (as part of Associate's degree), Criminal Justice Degree, Law Enforcement Degree

College Algebra MTH 1245 -3 Semester Hours Marion Technical College (Fall-Hubek)

Pathway: Associate of Arts or Science Degrees, *Nursing Degree (as part of Associate's degree), Business Management Degree, Human Resources Management Degree, Business Management Degree, Mechanical Engineering Technology Degree, Robotics and Automation Technology Degree, Electrical Engineering Technology Degree, Cyber Security and Networking Degree, Software Development Degree, Software Development Certificate, Web Development Certificate, 4 year Engineering Degree Pathway, Pre-Professional Medical Degree Pathway (Medicine, Veterinary, Dentistry, Physical Therapy)

Quantitative Reasoning MTH1230-3 Semester Hours Marion Technical College (Fall-MTC Instructor)

Pathway: Associate of Arts or Science Degrees, *Nursing Degree (as part of Associate's degree), Occupational Therapy Assistant Degree, Criminal Justice Degree, Law Enforcement Degree

Calculus MTH 2000 -5 Semester Hours Marion Technical College (Fall-MTC Instructor)

Pathway: Associate of Science Degree, *Nursing Degree (as part of Associate's degree), 4 year Engineering Degree Pathway, Pre-Professional Medical Degree Pathway (Medicine, Veterinary, Dentistry, Physical Therapy)

Anatomy & Physiology I SCI 1200-4 Semester Hours Marion Technical College (Fall-French)

Pathway: Associate of Arts or Science Degrees, *Nursing Degree-required, Surgical Tech Degree, Radiologic Technology Degree, Diagnostic Medical Sonography, Physical Therapy

Assistant Degree, Occupational Therapy Assistant Degree, Pre-Professional Medical Degree Pathway (Medicine, Veterinary, Dentistry, Physical Therapy)

General Chemistry I CHEM 1210-5 Semester Hours Marion Technical College (Fall-Strzelecki)

Pathway: Associate of Arts or Science Degrees, *Nursing Degree (as part of Associate's degree), 4 year Engineering Degree Pathway, Pre-Professional Medical Degree Pathway (Medicine, Veterinary, Dentistry, Physical Therapy)

Introductory Algebra-Based Physics PHYS 1200-5 Semester Hours Columbus State Community College (Fall-Strzelecki)

Pathway: Associate of Arts or Science Degrees, 4 year Engineering Degree Pathway, Pre-Professional Medical Degree Pathway (Medicine, Veterinary, Dentistry, Physical Therapy)

Computer Applications OIS 1240-3 Semester Hours Marion Technical College (Fall-Stiverson)

Pathway: Associate of Arts or Science Degrees, Surgical Tech Degree, Radiologic Technology Degree, Diagnostic Medical Sonography, Physical Therapy Assistant Degree, Occupational Therapy Assistant Degree, Medical Lab Technology Degree, Exercise Science Certificate, Criminal Justice Degree, Law Enforcement Degree, Business Management Degree, Human Resources Management Degree, Business Management Degree, Robotics and Automation Certificate, Mechanical Engineering Technology Degree, Robotics and Automation Technology Degree, Electrical Engineering Technology Degree, Cyber Security and Networking Degree, Software Development Degree, Software Development Certificate, Web Development Certificate

Intro to Engineering GET1000-2 Semester Hours Marion Technical College (Fall-MTC Instructor)

Pathway: Robotics and Automation Certificate, Mechanical Engineering Technology Degree, Robotics and Automation Technology Degree, Electrical Engineering Technology Degree

Intro to Electricity EET1000-2 Semester Hours Marion Technical College (Fall-MTC Instructor)

Pathway: Robotics and Automation Certificate, Mechanical Engineering Technology Degree, Robotics and Automation Technology Degree, Electrical Engineering Technology Degree

English Composition I ENG 1000-3 Semester Hours (Fall-online)

Pathway: Associate of Arts or Science Degrees, Psychology Degree, Behavioral Health Certificate, Education Pathway, *Nursing Degree-required, Surgical Tech Degree, Radiologic Technology Degree, Diagnostic Medical Sonography, Physical Therapy Assistant Degree, Occupational Therapy Assistant Degree, Medical Lab Technology Degree, Criminal Justice Degree, Law Enforcement Degree, Business Management Degree, Human Resources Management Degree, Business Management Degree, Mechanical Engineering Technology Degree, Robotics and Automation Technology Degree, Electrical Engineering Technology Degree, Cyber Security and Networking Degree, Software Development Degree, Software Development Certificate, Web Development Certificate

Western Civilization II HST 1800-3 Semester Hours Marion Technical College (Fall-online)

Pathway: Associate of Arts or Science Degrees, *Nursing Degree (as part of Associate's degree)

Oral Communication COM 1400-3 Semester Hours Marion Technical College (Fall-online)

Pathway: Associate of Arts or Science Degrees, Psychology Degree, Education Pathway, *Nursing Degree (as part of Associate's degree), Surgical Tech Degree, Diagnostic Medical Sonography, Criminal Justice Degree, Law Enforcement Degree, Business Management Degree, Human Resources Management Degree, Business Management Degree, Mechanical Engineering Technology Degree, Robotics and Automation Technology Degree, Electrical Engineering Technology Degree, Cyber Security and Networking Degree, Software Development Degree

Ethnic & Cultural Diversity SOC 2020-3 Semester Hours Marion Technical College (Fall-online)

Pathway: Associate of Arts or Science Degrees, *Nursing Degree (as part of Associate's degree), Surgical Tech Degree, Radiologic Technology Degree, Diagnostic Medical Sonography, Physical Therapy Assistant Degree, Criminal Justice Degree, Law Enforcement Degree, Mechanical Engineering Technology Degree, Robotics and Automation Technology Degree, Electrical Engineering Technology Degree, Cyber Security and Networking Degree, Software Development Degree

SPRING

Social Psychology PSY 1500-3 Semester Hours Marion Technical College (Spring-MTC Instructor)

Pathway: Associate of Arts or Science Degrees, Psychology Degree, *Nursing Degree (as part of Associate's degree)

Lifespan Development PSY 2100-3 Semester Hours Marion Technical College (Spring-MTC Instructor)

Pathway: Associate of Arts or Science Degrees, Psychology Degree, Behavioral Health Certificate, Education Pathway, *Nursing Degree-required, Physical Therapy Assistant Degree, Occupational Therapy Assistant Degree

Calculus II MTC 2050-5 Semester Hours Marion Technical College (Spring-MTC Instructor)

Pathway: Associate of Science Degree, 4 year Engineering Degree Pathway, Pre-Professional Medical Degree Pathway (Medicine, Veterinary, Dentistry, Physical Therapy)

Trigonometry MTH 1250-3 Semester Hours Marion Technical College (Spring-Hubek)

Pathway: Associate of Science Degree, *Nursing Degree (as part of Associate's degree), 4 year Engineering Degree Pathway, Pre-Professional Medical Degree Pathway (Medicine, Veterinary, Dentistry, Physical Therapy)

Statistics MTH 1240-3 Semester Hours Marion Technical College (Spring-MTC Instructor)

Pathway: Associate of Arts or Science Degrees, Psychology Degree, *Nursing Degree-required, Surgical Tech Degree, Radiologic Technology Degree, Diagnostic Medical Sonography, Physical Therapy Assistant Degree, Medical Lab Technology Degree, Business Management Degree, Human Resources Management Degree, Business Management Degree, Cyber Security and Networking Degree, Software Development Degree

Anatomy & Physiology II SCI 1250-4 Semester Hours Marion Technical College (Spring-French)

Pathway: Associate of Arts or Science Degrees, *Nursing Degree-required, Surgical Tech Degree, Radiologic Technology Degree, Diagnostic Medical Sonography, Physical Therapy Assistant Degree, Occupational Therapy Assistant Degree, Pre-Professional Medical Degree Pathway (Medicine, Veterinary, Dentistry, Physical Therapy)

Human Biology BIO 1200-4 semester hours Marion Technical College (Spring-French)

Pathway: Associate of Arts or Science Degrees, Psychology Degree, Education Pathway

General Chemistry II CHEM 1250-5 Semester Hours Marion Technical College (Spring-Strzelecki)

Pathway: Associate of Arts or Science Degrees, *Nursing Degree (as part of Associate's degree), 4 year Engineering Degree Pathway, Pre-Professional Medical Degree Pathway (Medicine, Veterinary, Dentistry, Physical Therapy)

Engineering Drawings and Diagrams MET1020-2 Semester Hours Marion Technical College (Spring-MTC Instructor)

Pathway: Robotics and Automation Certificate, Mechanical Engineering Technology Degree, Robotics and Automation Technology Degree, Electrical Engineering Technology Degree

English Composition II ENG 1100-3 Semester Hours (Spring-online)

Pathway: Associate of Arts or Science Degrees, Psychology Degree, Education Pathway, *Nursing Degree (as part of Associate's degree), Radiologic Technology Degree, Diagnostic Medical Sonography, Occupational Therapy Assistant Degree, Medical Lab Technology Degree, Business Management Degree, Human Resources Management Degree, Business Management Degree

Computer Applications OIS 1240-3 Semester Hours Marion Technical College (Spring-Stiverson)

Pathway: Associate of Arts or Science Degrees, Education Pathway, Surgical Tech Degree, Radiologic Technology Degree, Diagnostic Medical Sonography, Physical Therapy Assistant Degree, Occupational Therapy Assistant Degree, Medical Lab Technology Degree, Criminal Justice Degree, Human Resources Management Degree, Business Management Degree, Robotics and Automation Certificate, Mechanical Engineering Technology Degree, Robotics and Automation Technology Degree, Electrical Engineering Technology Degree

American Government POLS 1000-3 Semester Hours Marion Technical College (Spring-online)

Pathway: Associate of Arts or Science Degrees, *Nursing Degree (as part of Associate's degree)

Human Nutrition BIO 1110-3 Semester Hours (Spring-online)

Pathway: Associate of Arts or Science Degrees, Exercise Science Certificate

Microeconomics ECN 2000-3 Semester Hours (Spring-online)

Pathway: Associate of Arts or Science Degrees, Nursing Degree, Business Management Degree, Human Resources Management Degree, Business Management Degree

Intro to Ethics PHI 1030-3 Semester Hours (Spring-online)

Pathway: Associate of Arts or Science Degrees, Psychology Degree, *Nursing Degree (as part of Associate's degree)

Foundations of Behavioral Health-3 Semester Hours Marion Technical College (Spring-MTC Instructor)

Pathway: Behavioral Health Certificate

Psychology of Personality-3 Semester Hours Marion Technical College (Spring-MTC Instructor)

Pathway: Associate of Arts or Science Degrees, Behavioral Health Certificate
