

TCA SCOOP

TITAN CYBER ACADEMY'S MONTHLY NEWSLETTER

November TCA Students of the Month!

Congratulations to TCA students: Arthur Konieczny, Grade 4; Ava Sutton, Grade K; and Reagan Gasperin, Grade 8! Based on their work, both in the classroom and in the community, throughout this past month, they have been selected as "Students of the Month" for the month of November! Keep up the great work!

2022 TCA Turkey Bowl Thanksgiving Activities

What a great day filled with football, crafts, and a delicious turkey dinner for all of those that attended our TCA Turkey Bowl this year! Nobody could cover Mr. Klipa! Our teams: Team Lego and Team Fortnite battled to a tie!

Dear families,

Can you believe it is December already? Our cyber team cannot wait to celebrate with everyone at our "Merry Cookies" event on December 15-all K-12 cyber students are invited. Please encourage your child to attend. More details are posted in Schoology.

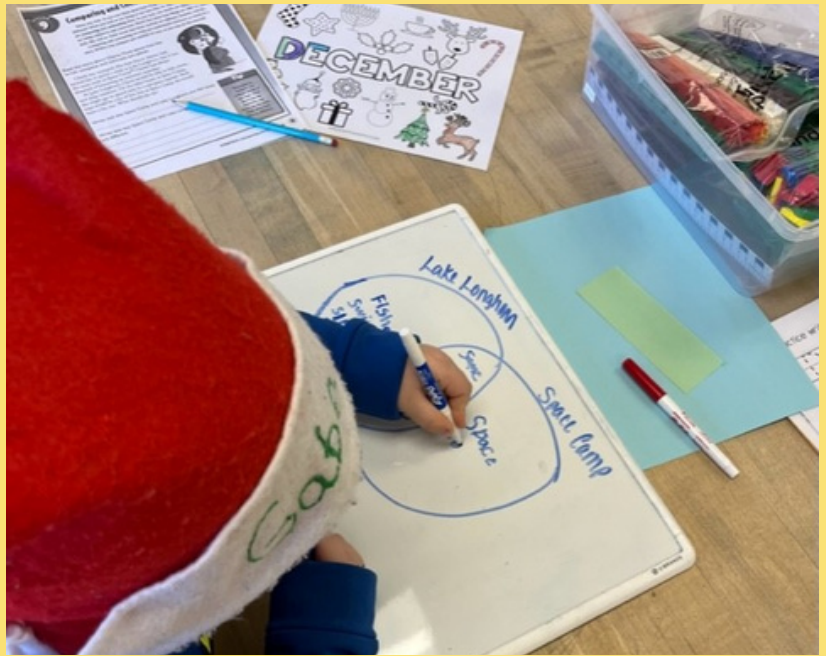

I posted a great article on the TCA Facebook page @titancyberacademy about the importance of online learners following a schedule. Be sure that your child establishes a daily routine for online learning. Something as simple as designating certain hours each day for online activities will go a long way in helping your child achieve success in the virtual learning environment. Please reach out to us if you feel your child needs extra support. We will do whatever it takes to personalize your child's learning to fit their needs.

We hope that all West Mifflin Area families have a great holiday! Hopefully all of the holiday hustle and bustle will end and you can enjoy deserved rest for your child and family.

Yours in education,
Dr. Brian P. Plichta
K-12 TCA Principal

Learning Spotlight

Spotlight on Mrs. Welsh, our K-3 cyber elementary teacher and one of her awesome students. This student came in for an in-person enrichment session. Varying instruction from online to in-person is a great way to keep our students motivated and engaged in academic programming.

If you are considering cyber school for this school year, please let us know! We have open enrollment beginning January 11, 2023 -the first day of the third grading period. Contact us in advance and our team will be happy to meet and discuss our program. Perhaps your child needs a different learning environment to bring out their full potential! Each time we receive a new TCA student commitment will post an update to our Twitter and Facebook page! Let me know if you are interested or would like to learn more.
