# TCA Active Engagement

In honor of Presidents Day, Mr. Klipa traveled to Niles, Ohio to broadcast live with students from the William McKinley Birthplace Home and Museum, as a virtual celebration and learning experience for our students. Ohio is known as the “Mother of Presidents,” as seven US Presidents were born there. The students learned about the life of President McKinley, focusing specifically on his early years, which allowed them to get a different perspective of a president.

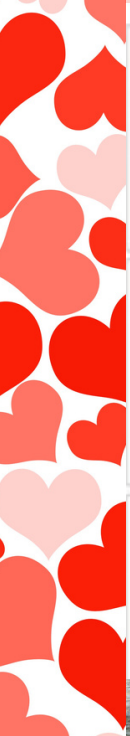

Mr. Klipa Titan Cyber Academy: K - 6

Thanks to everyone that came out for our Valentine's Day Ice Cream Social on Friday! A fun time was had by all!

What's Next?

## Dr. P's Message

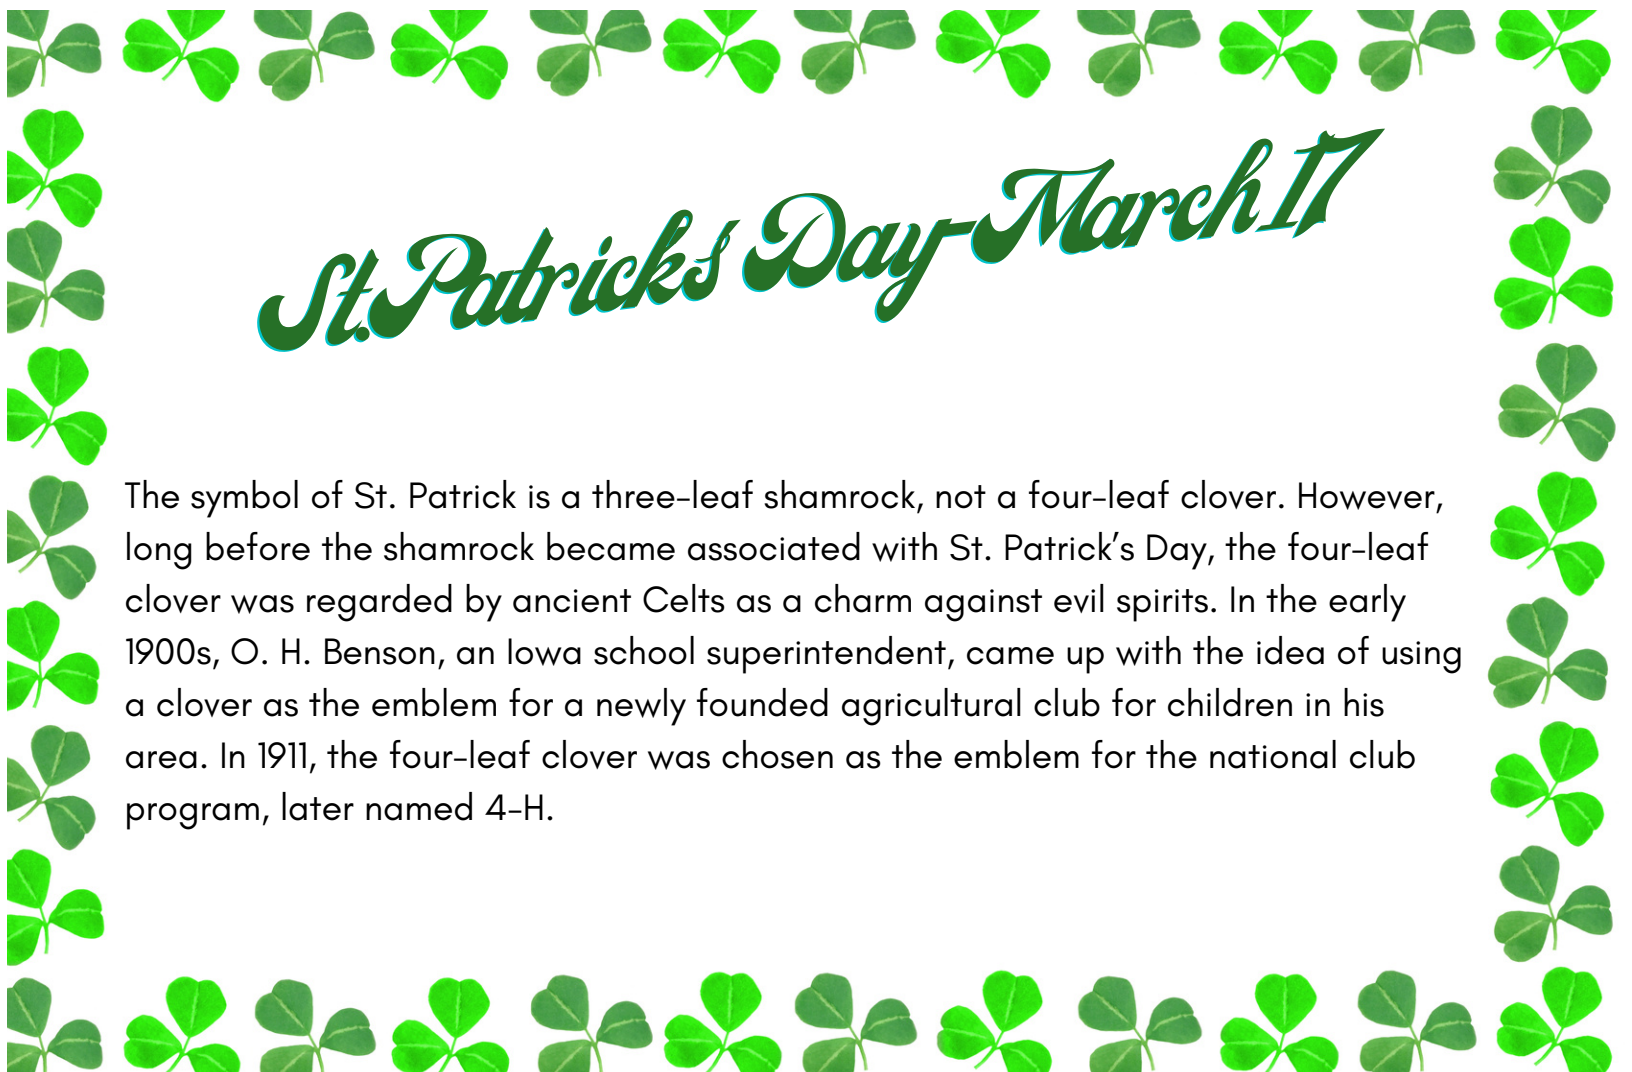

Dear TCA families, Another month has passed! Spring is just around the corner. Our District middle and high school students will be scheduling classes for next year in the coming weeks. All current 7-12 TCA students will be able to schedule online just like current in-person students. Directions will be posted on Schoology. Students will have the option of selecting cyber or in-person courses. If you are unsure, we recommend selecting online at this time.

If your child needs any type of academic support or enrichment, please reach out to us at the Academy so that we can help ensure that each child has a strong finish to the school year. If you have any questions, you can always reach out via Schoology, email, or phone. Thank you! My best to you and your family.

*Dr. Brian P Plichta*  
*Principal-Titan Cyber Academy*

If you are considering cyber school, now or for next school year,  
please contact me to learn more.

# St. Patrick's Day - March 17

The symbol of St. Patrick is a three-leaf shamrock, not a four-leaf clover. However, long before the shamrock became associated with St. Patrick's Day, the four-leaf clover was regarded by ancient Celts as a charm against evil spirits. In the early 1900s, O. H. Benson, an Iowa school superintendent, came up with the idea of using a clover as the emblem for a newly founded agricultural club for children in his area. In 1911, the four-leaf clover was chosen as the emblem for the national club program, later named 4-H.
