Dr. P's Message

Dear TCA families,

We are into our final month of school! Our GPA pilot program is working out very well and serving its purpose of improving grades! We will continue the email/text message alert every Friday. If your secondary aged child is above a 3.0 GPA or below a 1.5 GPA, you will receive the alert.

We are excited to bring an awesome summer enrichment program entitled "Stop the Summer Slide" for our elementary students in grades K-6. The program will allow children to close learning gaps and build upon current strengths and weaknesses in reading and math. The program is free for all West Mifflin students. We will also offer summer credit recovery courses for grades 7-12. These courses are free and designed to help secondary students meet their yearly goals if they haven't. Please see the attached flyers for details. If you have any questions, you can always reach out via Schoology, email, or phone. Thank you!

My best to you and your family,

Dr. Brian P Plichta
