HELLO SPRING

Dr. P's Message

Dear TCA families,

Another month has passed! We are only 33 school days away from the end of the year. At TCA, we are piloting a new academic monitoring system for our 7-12 cyber students. We will email parents/guardians each Friday beginning April 14, 2023 to alert them if your child is performing below a 1.5 GPA for the week. If your child remains below a 1.5 for two weeks, academic interventions will be scheduled with the family and student to ensure that the student improves their academic standing. We will also alert the parents/guardians of students if your child is performing above a 3.0 GPA for the week. Positive acknowledgement for making that type of achievement is warranted to those students. If you have any questions, you can always reach out via Schoology, email, or phone. Thank you!

My best to you and your family.
