## LEAN ON ME

Bill Withers

Piano: Rachel Townsend

Sometimes in our lives  
We all have pain  
We all have sorrow  
But if we are wise  
We know that there's always tomorrow

**Lean on me  
When you're not strong  
And I'll be your friend  
I'll help you carry on...  
For it won't be long  
Till I'm gonna need somebody to lean on**

Please swallow your pride  
If I have things you need to borrow  
For no one can fill  
Those of your needs that you won't let show

You just call on me brother when you need a hand  
We all need somebody to lean on  
I just might have a problem that you'll understand  
We all need somebody to lean on

**Lean on me  
When you're not strong  
And I'll be your friend  
I'll help you carry on...  
For it won't be long  
Till I'm gonna need somebody to lean on**

You just call on me brother  
When you need a hand  
We all need somebody to lean on  
I just might have a problem that you'll understand  
We all need somebody to lean on

**Chorus...**
