Highlight: Course Registration 2022

Could we be any happier with how course registration 2022 went, probably not! Course registration began with welcoming the Class of 2026 to Pelham High School on Wednesday evening the 15th of February. Students, along with their parents/guardians, attended a brief presentation in the Snake Pit with regards to the course selection process. The Classes of 2023, 2024 and 2025 received their course selection materials during their advisory block. The counseling staff is working hard going over each and every student's graduation progress, course selections and double checking their classes within PowerSchool. Should you have any questions, please reach out to the counseling staff.
