Month*

Croman Primary Students Of The Month For October

Kindergarten: Kayden E., Zoey M., Hunter M., Madeline H., Clayton H., Remi D.

First Grade: Corbyn H., Ethan K., Rosalind B., Emmeline T., Aaliyah B.

Second Grade: Leah C., Vanessa S., Haven Y., Kayden V., Miranda C., Braxton L.

A Word from the Principal

Here at W. R. Croman, we are recovering from two awesome Fridays in a row! We held our annual Croman Cruiser event on October 22nd where we didn't let the rain dampen our spirits. The PTSO put on a wonderful fundraiser event and our students loved it. On October 29th, the students were treated to a Fall Fun Day in recognition of all their hard work put in so far this year. The day started with an awesome pep rally put on by our high school fall athletic teams and band! Students enjoyed a picnic lunch while rotating through six fun filled activities. They even had a chance to taste maple cotton candy and paint pumpkins! We would like to thank everyone who donated to this wonderful event as it brought the school together and a sense of normalcy back to us all.

Drizzled Apple Snacks

When kids come home looking for a quick after school snack, these peanut butter apple treats will keep them going until dinner. Try different healthy toppings for crunchy, sweet texture and flavor.

Ingredients

3 Granny Smith apples	1 Tbsp. fresh lemon juice
1/4 cup dark chocolate	1/4 cup peanut butter
Toasted coconut flakes (optional)	Craisins (optional)
Chopped almonds (optional)	

Directions

1. Slice the apples into 12 1/4-inch thick slices. With a paring knife, core that
2. apple slices. Sprinkle the cut apple slices with lemon juice.
3. In a small bowl, microwave the chocolate in 20 second intervals. Stir and repeat until melted.
4. In a small bowl, microwave the peanut butter for 30 seconds.
5. Transfer the melted chocolate and the melted peanut butter to two separate resealable plastic bags. Snip the edges of the bags for piping. (Alternatively, use a spatula or spoon to drizzle the melted chocolate and/or peanut butter over the apples.)
6. Place the apple slices on wax paper and drizzle with the chocolate and/or peanut butter and top with your favorite toppings. Serve immediately.

Notes from the Nurse

October is Children's Health month

It is observed to help remind us how important it is for us to protect and develop better health in our children. So, what can you do to improve your child's health? Here's just a few ideas.

Schedule your child's yearly Wellness visit.

Wellness visits help guide you to make better health choices and to catch underlying problems early.

Encourage your child to Go Outdoors.

Studies show spending time in nature can have a positive impact on children's mental & physical health.

Encourage more Fruits & Veggies

There are numerous benefits to adding more fruits & veggies but most important is the essential nutrients they provide for growth and good health.

Teach good Oral Hygiene habits.

Reminding your child to brush both morning and night can help them build strong healthy teeth for life.

Croman Cruiser Fund Raiser

Croman Cruiser Laps were a huge success. Everyone enjoyed the day. The PTSO would like to thank those that volunteered to help that day and the following companies that supported the Croman Cruiser Fund Raiser:

Canton and Troy school districts have been collecting tabs all month to benefit the Ronald McDonald house in Danville, Pa. Students at W.R. Croman did a super job of collecting tabs and want to thank everyone that donated toward this competition.

Fall Festival

W.R. Croman students celebrated fall on Friday, Oct. 29 with Story Time, Pumpkin Science, Athletic Fun, Snacks, and Paint & Draw. Even though the weather didn't cooperate, the students enjoyed all the festivities.
