

Troy Area School District 2023/2024 Economically Disadvantaged Determination Form

Dear Parents of Troy Area School District Students:

The district qualifies for a program that allows us to provide a free breakfast and lunch to every student without requiring a free and reduced application. In order to continue to qualify, we must make an effort to maintain accurate records for the District's Breakfast / Lunch Program.

Household Size	Yearly Income
1	\$26,973
2	\$36,482
3	\$45,991
4	\$55,500
5	\$65,009
6	\$74,518
7	\$84,027
8	\$93,536
Each Additional Person Add	\$9,509

TASD must determine which students meet the Federal standard to be considered "Economically Disadvantaged". This is determined by the size of the household (**total** number of persons living there), and the income of the household (**total** earned income).

Please circle the total number of people living in your home and the lowest total earned income level that exceeds the income of all your occupants combined. (Example: 6 total household members and their combined income is \$69,500. You would circle 6 and \$74,518).

You only need to fill out **one form per household**, but make sure you list **all school age children** below. Thank you for assisting in this process and assisting us in providing healthy meals for all Troy Area School District students.

Please list students below:
