

RIVER ISLANDS ACADEMIES

River Islands Technology Academy and STEAM Academy

Due to impacted grade levels, specific school requests may not be honored.

Steps for Registration

Residents that reside within the Banta Elementary School District Boundaries and the River Islands Development may begin the registration process, for the 2021-2022 school year beginning March 3rd.

Step #1: Complete the Request for Application.

Residents are required to complete the Lottery/Request for Application Form. This is to guarantee that we have your contact information and are able to send the application link. Residents will not participate in the lottery drawing, residents that reside within the Banta Elementary School District Boundaries and the River Islands Development may begin the registration process once the link to the application is received on March 3rd.

Step #2: Complete online application.

An email will be sent to you with a link to complete the application based on the information that you provided on the Lottery/Request for Application Form. Applications should be complete and any documentation should be uploaded using the application process. If any documents are not able to be uploaded, you may turn them in at the school office.

Step #3: River Islands Academies will verify your resident status. You will be notified if your application has been approved or denied by one of the River Islands Academies schools (RiTechA or STEAM). You may also be contacted if more information is required.

Step #4: Once your application has been submitted you may make your **optional** Registration Appointment using this [SignupGenius link](#). Registration Appointments will be held virtually for those who have questions regarding enrollment and the schools. You will receive a link via email prior to your appointment time. Remember: Registration Appointments are optional. No tours will be provided at this time due to COVID-19.

Proof of residency is required

The following documentation is required. The documents should be uploaded during the Application process (preferred method), OR dropped off in the office (on designated days):

- Builder's Note, Mortgage Statement, or Rental Agreement (may require additional documents)
- Utility Bill - must be a Water, Electric, or Trash Bill
- ID with current address and/or receipt of current address change (processed) from the DMV.

Kindergarten students must have a physical and dental evaluation prior to starting the school year. Physical and dental evaluations are required, even during the COVID-19 pandemic.

Transitional Kindergarten: Students born between September 2, 2016 and December 2, 2016 are eligible to be enrolled as TK for the 2021/2022 School Year. At this time, STEAM Academy is the only school accepting TK students in the River Islands Community.

7th Grade students must have proof of a TDAP vaccine prior to starting the school year.

We look forward to meeting you!
