instructional implications of evaluation
results**

Counselor

Parent Mentor or Advocate

Outside Agency Representative (s)

Other

**Specify Outside Agency
Representative(s) present, if
any**

Before completing this section:

- 1. Review data from the Evaluation Team Reports.**
- 2. Review data from Progress Monitoring.**
- 3. Review data on Interventions that were successful.**
- 4. Review data on Interventions that were not successful.**
- 5. Review additional data on school, community and home functioning.**
- 6. Select from the goals/needs of the student below and assign a ranking with 1 being the lowest need and 5 being the most significant need.**

Need 5 (Most Significant)

Need 4 (Next highest need)

Need 3 (Moderate)

Need 2 (Lower Significance)

Need 1 (Least Significant)

If other is selected in any of the above, describe the need here.

Consider a full continuum of LRE options including: regular general education classroom, regular general education classroom with supplemental aids and services, general education classroom with related services, resource class, separate class, separate school, residential facility, and hospital/home. The first LRE option to consider is the Regular General Education Classroom.

LRE Option 1 Considered: Regular General Education Classroom

For the LRE Option 1 - Regular General Education Classroom, answer the following about this option by considering the needs of the student. Indicate how strongly this option supports the student's needs.

	Does Not Meet	Poorly Meets	Meets	Meets Well	Highly Meets
To what degree does LRE Option 1 meet the need of the student indicated in red?					
To what degree does LRE Option 1 meet the need of the student indicated in blue?					
To what degree does LRE Option 1 meet the need of the student indicated in green?					
To what degree does LRE Option 1 meet the need of the student indicated in yellow?					
To what degree does LRE Option 1 meet the need of the student indicated in white?					

Score for Option 1

Please proceed to consider the next LRE Option. At Least 2 LRE Options must be considered.

Consider a full continuum of LRE options including: regular general education classroom, regular general education classroom with supplemental aids and services, general education classroom with related services, resource class, separate class, separate school, residential facility, and hospital/home. Select a second LRE to consider. You must use the decision tool to consider at least two options.

LRE Option 2 Considered

For the LRE Option 2 selected above, answer the following about this option by considering the needs of the student. Indicate how strongly this option supports the student's needs.

	Does Not Meet	Poorly Meets	Meets	Meets Well	Highly Meets
To what degree does LRE Option 2 meet the need of the student indicated in red?					
To what degree does LRE Option 2 meet the need of the student indicated in blue?					
To what degree does LRE Option 2 meet the need of the student indicated in green?					
To what degree does LRE Option 2 meet the need of the student indicated in yellow?					
To what degree does LRE Option 2 meet the need of the student indicated in white?					

Score for Option 2

Consider a full continuum of LRE options including: regular general education classroom, regular general education classroom with supplemental aids and services, general education classroom with related services, resource class, separate class, separate school, residential facility, and hospital/home. Select a third LRE Option to consider if you wish.

LRE Option 3 Considered

For the LRE Option 3 selected above, answer the following about this option by considering the needs of the student. Indicate how strongly this option supports the student's needs.

	Does Not Meet	Poorly Meets	Meets	Meets Well	Highly Meets
To what degree does LRE Option 3 meet the need of the student indicated in red?					
To what degree does LRE Option 3 meet the need of the student indicated in blue?					
To what degree does LRE Option 3 meet the need of the student indicated in green?					
To what degree does LRE Option 3 meet the need of the student indicated in yellow?					
To what degree does LRE Option 3 meet the need of the student indicated in white?					

Score for Option 3

Consider a full continuum of LRE options including: regular general education classroom, regular general education classroom with supplemental aids and services, general education classroom with related services, resource class, separate class, separate school, residential facility, and hospital/home. Select a forth LRE Option to consider, if you wish:

LRE Option 4 Considered

For the LRE Option 4 selected above, answer the following about this option by considering the needs of the student. Indicate how strongly this option supports the student's needs.

	Does Not Meet	Poorly Meets	Meets	Meets Well	Highly Meets
To what degree does LRE Option 4 meet the need of the student indicated in red?					
To what degree does LRE Option 4 meet the need of the student indicated in blue?					
To what degree does LRE Option 4 meet the need of the student indicated in green?					
To what degree does LRE Option 4 meet the need of the student indicated in yellow?					
To what degree does LRE Option 4 meet the need of the student indicated in white?					

Score for Option 4
