## ANNUAL NOTICE TO PARENTS & STUDENTS

October 24, 2024

Dear Parents and Students:

This letter serves as the District's annual technology privacy notice consistent with Ohio Revised Code Sections 3319.325 - .327.

### General Monitoring of School-Issued Devices

Please be aware that the District, either directly or through a technology provider, is electing to generally monitor all school-issued devices (as that term is defined by R.C.3319.325). The monitoring could include the following features: location tracking and student interactions with school-issued devices (e.g., keystrokes and web-browsing activity). The District generally monitors these features for the noncommercial education purpose of instruction, technical support, and/or exam proctoring. Additionally, these features are generally monitored as a necessary precaution for preventing and/or responding to threats to life or safety.
