Preface

The Worcester Central School Alumni Association is pleased to print a new hand book for our alumni. We have put in brief information about the Worcester and East Worcester Schools.

A complete history of all the districts in the area is found in the history booklet that Charlotte Snyder Smith, East Worcester Class of 1934, wrote in 1989. This booklet is called "Here's to You... Worcester Schools."

A reprint was done in 2002 but it is now out of stock.

We hope you enjoy this handbook.

WORCESTER HIGH SCHOOL

Worcester High School began in 1889 following several other school buildings. The first graduate was Myrta Goodenough and the graduation services were held in the building now known as Nelson's Garage.

A picnic was held at Caryl's Lake in 1891 and it comprised of the first three graduating classes. At this picnic the first permanent Alumni Association was formed. The thought uppermost in the minds of the organizers was "to influence the graduates, to maintain an interest in the welfare and prosperity of the High School; to secure unity of action; pleasant cooperation among the members; that by associated efforts they may each hold a reunion in honor the graduating class."

This thought continued with graduations held from 1910-1932 in the Wieting Opera House. The Alumni continued in the new brick buildings, 1893 and 1932, to the present day, now called Worcester Central School.

EAST WORCESTER SCHOOL**District #3**

The East Worcester School began sometime before 1830 at the four corners (now Route 7 and North Road). Pictured below is a school built in 1867-1868 which was east of the last brick school building. (Now Charles Herzog Supply)

Pupils who finished the elementary grades in the one room school houses in the surrounding areas, came to the East Worcester Union School to finish and graduate. Graduations were held from 1900 through 1939.

In 1939 East Worcester consolidated with Worcester and the six upper grades came to Worcester and the elementary remained in East Worcester. This school closed in 1958.

In 1935 an alumni was formed and the first banquet was held in the Amusement Hall. Frances Dedek (Penska) was elected its first president.

The Worcester Alumni Association invited the East Worcester school graduates to become members of the WCS Association in 1965.

**A.B. Doig and Gladys B. Doig Memorial Scholarship
Principal 1931-1966**

Since 1970, the alumni have been able to give this award through donations and interest in the fund. We are very proud to be able to continue to give this award. The following is the criteria and committee members

“The Worcester Central School Alumni Association presents the Arthur B. and Gladys B. Doig Memorial Scholarship to the senior who has:

1. Shown a high degree of academic achievement
2. Shows value of being a stable citizen
3. Shows promise of contributing to the world of tomorrow

It is not expected that this award will make a great change in the receivers life, but it is hoped that the timeliness of it will help the student realize that there are people who are sincerely interested in helping students. We as alumni care because Mr. and Mrs. Doig cared, which gives this award a personalized touch.”

The committee for this scholarship consists of 6 members, including a permanent chair, Shirely Holloway Wright, Class of 1955; the current alumni president, Anita DuBois Cleveland, Class of 1986; and rotating members, James Kenyon, Class of 1970; and Valerie Preston Head, Class of 1974; added in 2019 were Margaret Coombs Nelson, Class of 1973 and Stephen Fancher Class of 1988.

CRITERIA OF THE BOZANIC MEMORIAL SCHOLARSHIP ESTABLISHED IN 2023

The Worcester Central School Presents the Bozanic Family Scholarship to the senior who has:

1. Shown a high degree of academic achievement
2. Shows value of being a stable citizen
3. Shows promise of contributing to the world of tomorrow
4. Will be going to and been accepted at a college, university, or technical school to further their education

It is not expected that this award will make a great change in the receiver's life, but it is hoped that the timeliness of it will help the student realize that there are people who are sincerely interested in helping students. This award is in honor of the twelve Bozanic family siblings, Nick, Anne, Helen, Zita, Vera, John, Don, George, Emily, Janet, Mary and Larry, all of who graduated from WCS and put great value on higher education.
