## Studio Art

### COURSE DESCRIPTION

This one semester course provides students an opportunity to explore a variety of art mediums while applying basic concepts learned in Introduction to Art. In Studio Art, students will apply Elements of Art and Principles of Design in two-dimensional (drawing, painting, printmaking) and three-dimensional (sculpture, textiles) formats, while integrating aesthetic criticism and response. This course will also emphasize how art communicates, how we interpret it, and how we relate to it as a product that reveals something about societies and artists that produced it.
