

Little Flower Catholic
Church & School

Listening Session for All Things New Second Draft Models

This THURSDAY at 5:00 p.m.
Little Flower, McEntee Hall

On Feb. 8, the Archdiocese published second draft models for the All Things New Campaign. In this model, it is proposed Little Flower is converted to a Pastorate with St. Mary Magdalen, St. Luke the Evangelist and Immaculate Conception in Maplewood.

To gather your feedback on this and answer as many questions as we are able, the Little Flower All Things New committee will be hosting a listening session this coming Thursday, February 16th at 5p in McEntee Hall in the school. Note: Due to timing of the session, light refreshments will be served.

Please read the information provided on the All Things New website (<https://allthingsnew.archstl.org/Planning-Process/Second-Draft-Model> - Little Flower is in Planning Group 6) and send feedback to Key Parish Leaders at allthingsnew@littleflowerstl.org by February 15, 2023 if you cannot attend the listening session.
