

SAVE THE DATE: Parish Listening Sessions - part of the All Things New Initiative

The dates have been confirmed for the Little Flower Parish Listening Sessions to be held on Tuesday, October 18 and Thursday, October 20 from 6-8 PM.

In the near future we will be providing sign-ups for the two Parish Listening Sessions - you need only attend one.

Participants will be shown and be able to provide feedback regarding the various models being proposed for our planning area.

These listening sessions will be facilitated by a trained facilitator who is **not** a member of our parish and who will be assigned by the Office of Strategic Planning.

In addition, we would like to share the results of the Evangelization and Social Outreach Parishioner Feedback Surveys that many of you responded to last month. Results from 93 responses (60 online, 33 paper) were aggregated and the top 3 in each category were turned in to the Archdiocese.

- Catholic Education
- Youth Ministry
- Family Ministry

Social / Community Outreach Top 3 responses:

Note: These results and other comments were shared and discussed with the Parish Council for further consideration. We thank them for their leadership and support.
