7th grade MIDDLE SCHOOL REGISTRATION for the 2022-2023 School Year

It's time to register for 7th grade classes. Please read the Curriculum Guide that accompanies this registration sheet to help make your selections. These forms are also available on the middle school web page. If we do not receive your form by the deadline listed below (Friday, February 18, 2022), a schedule will be created for you.

At Nordon Middle School, all 7th grade students are required to take the core classes of Math, Science, Social Studies, and Language Arts. You will also be required to take Health. We will automatically schedule those five classes for you. To round out your schedule, there are choices for you to make from our list of Encore classes. However, it may be necessary to alter selections due to scheduling conflicts or course offerings. Please complete this form by February 18, 2022.

Directions:

Students have three periods throughout the year that they can select the Encore courses they wish to take; one Encore class and Health in one semester, and two Encore classes in the other semester. During their time at the middle school, students are encouraged to select courses from a variety of curriculum areas.

****Please note that you can only take either Computer Science for Innovators and Makers or Flight and Space, but not both in the same year. Both of these classes (along with Exploratory Spanish) can only be taken once during your time at the Middle School****

Students on an IEP will take a full year of Intervention in place of their second Encore Class.
