## 8<sup>th</sup> grade MIDDLE SCHOOL REGISTRATION for the 2024-2025 School Year

It's time to register for 8th grade classes. Please read the Curriculum Guide that accompanies this registration sheet to help make your selections. These forms are also available on the middle school web page. If you lose this form, please go to the website to print another one. If we do not receive your form by the deadline listed below (**Monday, January 29 2024**), a schedule will be created for you.

At Nordonia Middle School, all 8th grade students are required to take the core classes of Math, Science, Social Studies, and Language Arts. We will automatically schedule those four classes for you. To round out your schedule, there are choices for you to make from our list of Encore classes. However, it may be necessary to alter selections due to scheduling conflicts or course offerings. Please complete this form by **Monday, January 29, 2024**.

### Directions:

Students have two periods in the day that they can select the Encore courses they wish to take. During their time at the middle school, students are encouraged to select courses from a variety of curriculum areas.

**\*\*Please note that you can only take either Flight and Space or Computer Science, but not both in the same year. Both of these classes (along with Exploratory Spanish and World Cultures) can only be taken once during your time at the Middle School\*\***

Please rank the classes in order of preference 1-5. Again, this will help us determine what class you would like to take in case you are closed out of your selection. We will not place you in the Choir, Band, Jazz Ensemble, or Spanish courses if you do not want those courses. Simply place an X on the line next to the choir, band, or Spanish courses and rank the other ones. Thank you.
