How Can Students Participate?

Step 1: Eligibility

Students must be “eligible” for College Credit Plus participation based on assessment exam scores

How Can Students Participate?

- Students' scores on College Readiness Assessments must show that they are ready for "college-level" courses in at least one subject on an exam
- Exams include ACT, SAT, Accuplacer, ALEKS, PlaceU, or MapleSoft
 - After a student applies to a college, the college/university will notify the student about exam requirements

How Can Students Participate?

Step 2: College Admission

- Students must apply for admission
- Students must meet admission requirements of the college
- **Students must complete a “Permission Slip” that will be provided to the students with the college’s application for admission.**

How Can Students Participate?

Step 3: Course Registration

- If the student is considered eligible and has been admitted to the college, then:
 - The college will discuss course options with the student, based on assessment scores, prerequisites, and other requirements

Course Eligibility Rules

Students must complete their first 15 credits in Level I courses, which include:

- Transferable courses
- Courses in IT, Computer Science, Anatomy & Physiology, foreign language
- Courses that are part of a technical certificate
- Courses that are part of a 15- or 30-credit pathway
- Courses in study skills, academic or career success

Other Requirements

Grades

- College Credit Plus grades earned in the college course is the same grade that will appear on the high school transcript
- CCP course grades will be factored into the high school and college GPAs

Grade Weighting

- If a high school uses a weighted grading scale for Advanced Placement, International Baccalaureate, or Honors courses in a subject area:
 - Then College Credit Plus courses in the subject area will be weighted using the same scale in order to calculate the student's grade point average and class rank

How Many Classes Can a Student Take?

- Students may be enrolled in up to 30 credits per year, which includes high school courses:

- Calculation:

$$30 - (\text{secondary school units} \times 3) = \text{max CCP credits}$$

- The maximum number of credits allowable for a student while participating in the program is 120

What are the Differences Between High School and a University?

Tests

- High School: Tests are sometimes given weekly or at the end of the chapter
- College: Tests are generally fewer in number and cover more material

What are the Differences Between High School and a University?

Study Time

- High School: Required homework ranges between 1 to 3 hours per day
- College: Standard rule of 2 to 3 hours of homework for every hour spent in class (3 to 5 hours per day)

What are the Differences Between High School and a University?

Knowledge Acquisition

- High School: Information provided mostly in-class. Out-of-class research is minimal
- College: Coursework will generally require more independent thinking, longer writing assignments, and out-of-class research

What are the Differences Between High School and a University?

Grades

- High School: Numerous quizzes, tests, and homework assignments
- College: Few tests and fewer, if any, homework assignments will be used to determine final grades

What are the Differences Between High School and a University?

Role of Parents

- High School: Parents are strong advocates working closely with teachers and counselors
- College: Parent serves as a mentor and support for the student; the college views the student as independent decision-maker
- College: The Family Education Rights and Privacy Act (FERPA) protects student education records

What are the Differences Between High School and a University?

Accommodations

- High School: Parents and students work with high school staff to determine what assistance or accommodations can be made for students with IEPs or 504 plans.
- College: Students must work directly with college staff to determine if accommodations are needed. IEPs and 504 plans may or may not be included in the discussions.

Benefits of CCP

Students can:

- Earn high school and college credits at the same time
- Get a “head start” on career planning and degree or certificate completion

What Happens if the Student Underperforms?

- If students do not earn a passing grade or if they withdraw too late from college courses, the district may require students/families* to reimburse the tuition that the district had paid
- The grades that students earn will be on the students' college transcripts permanently

*If a student is considered "economically disadvantaged," a school may not seek reimbursement

What Happens if the Student Underperforms?

- If students fail or withdraw often, future financial aid may be also impacted negatively
 - For more information, contact the college's financial aid office for details
- If students perform poorly, they may be placed CCP Probation, CCP Dismissal or on academic probation or dismissal by the college

Underperforming Student Rules

College Credit Plus Probation

A student will be placed on CCP probation if he or she **earns less than a cumulative 2.0 GPA** in CCP courses or withdraws from 2 or more courses in one academic term

Underperforming Student Rules

While on CCP Probation, the student:

- May only enroll in one College Credit Plus course for one college term (semester or quarter)
- May not enroll in a college course in the same subject in which student previously earned D, F, NC grade (or equivalent grade)

Underperforming Student Rules

CCP Dismissal

- If students on CCP probation do not increase their CCP GPA to a 2.0 or above during the probation term, they will be placed on CCP Dismissal
- While on CCP Dismissal, students may not enroll in any College Credit Plus courses
- A student can request (appeal) to be reinstated in the program

Underperforming Student Rules

CCP Probation & Dismissal Appeals

- **CCP Probation:** Student may appeal to take a course in the same subject in which he or she previously earned a D, F, or received no credit

Underperforming Student Rules

CCP Probation & Dismissal Appeals

CCP Dismissal: Within 5 days of being dismissed, the student may submit an appeal to the secondary school to appeal CCP Dismissal or the student may appeal at the end of the CCP Dismissal semester

Each school must have a policy describing the process for appeals

College Credit Plus Program

College Credit Steps to Take

This information is for those students interested in pursuing participation in the College Credit Plus program for the **2022-2023** school year. Below is a list of the next steps you should take in the application process for the program. **Students/parents are responsible for the entire application process; the school does not initiate this process for you.**

- 1) Begin to identify institutions you are interested in applying to (previous students have attended Cleveland State University, Cuyahoga Community College, Kent State University or the Kent State University Twinsburg campus and the University of Akron--these are just examples for you).
- 2) Locate the college's College Credit Plus application (some are the same as the undergraduate application and typically online at the college's website under Admissions) and selection criteria.
- 3) Know the college deadline and submit your application to the college **before the application deadline** (this will differ by college).
- 4) Submit the Letter of Intent, Student/Parent Acknowledgement and Transcript Request forms (included in this packet), to the High School Counseling Office **no later than April 29, 2022**.
- 5) Register for the ACT or SAT exam. The earlier you complete this exam the better. You can register at www.actstudent.org/register/ or www.sat.collegeboard.org/register. Registration deadlines and test dates can be found on each website.
- 6) Meet with your child's school counselor if you have any questions or reservations about participating in the program to gain additional insight.

{Counselor contact information}

- 7) Be sure you **schedule as though you will be attending school (Nordonia) full-time next year during the high school scheduling process**. Your schedule will be changed after we receive confirmation of your acceptance and college courses selected.

Timeline:

Refer to this sheet for your important deadlines and for planning purposes

You must **always** keep your school counselor informed of any changes to your College Credit Plus plan and details. It is **your** responsibility to make sure the school counselor has details of these changes, the college will not communicate these to the high school:

- courses added to your schedule
- courses dropped
- grades (student should print copy and bring to counselor as soon as they are reported even though college will send official transcript after semester ends)

Remember: Additions, withdrawals or failures in CCP classes may have academic and financial implications and may also impact high school graduation.

Submitting the following 3 forms to Support Services is required for acceptance into the CCP program:

- 1) Intent to Participate
- 2) Student/ Parent Acknowledgement Form
- 3) Transcript Request Form

- College Credit Plus (CCP) Defined
- Eligibility
- Advantages and Considerations
- Graduation Requirements
- Scheduling
- CCP Pathways
- Academic Credit: From CCP to Nordon High Schools
- Weighted Grades - Courses taken through CCP will be given the same weight as the highest advanced course in the same subject area as the high school course.
- Failure or Withdrawal (after 14 days) from CCP Course(s), family assumes all financial responsibility
- Extracurricular Activities and Athletics
- Counseling Services
- NHS CCP Statistics
- Procedures for Obtaining and Returning Textbooks
- Steps to Follow
- Maximum Course Load - 30 hours total per year (combination of college and HS courses-converted to college hours and added together)
- Courses - May take any course in the college catalog that is NOT remedial and that applies toward a degree or professional certificate in a subject area in which you are college-ready.

In order to participate for the 2022-2023 school year, it is our responsibility to research and apply to a college and meet all application deadlines. We are responsible to inform the school counselor of the choice(s) made and any changes that are made to the college schedule (courses added, courses dropped, and grades reported).

We have received counseling and understand the above listed responsibilities we must assume if participating in the College Credit Plus Program as a student or as a parent/guardian of that student as mandated by Ohio law.

Information is current as of **January 18, 2022**. ODE provides the most up to date information regarding College Credit Plus procedures and laws. The district will do its best to communicate changes as timely as possible, however, it is the responsibility of the family to stay abreast of these changes.

Once you have completed the application process AND you receive notice of admissions into the post-secondary institution of your choice, you will need to reach out to your current school counselor to plan and develop your High School and College schedule!

TEXTBOOK rentals:

Textbooks for ALL CCP courses will be on loan from the school district. The district will be billed for textbooks from the CAMPUS BOOKSTORE. All purchases outside of the CAMPUS BOOKSTORE must be pre-approved and discussed with the Department of Curriculum and Instruction.

Textbooks are the property of the school district. Books not returned or in poor condition can result in fines on the student account.

The process for renting books can be found on the last page in your packet.

*Supplemental supplies are provided by the post-secondary institution.

*Students earn high school credit and college credit (i.e., dual enrollment credit). College credit is earned through Stark State College. This credit is fully transferable to any Ohio "State" college/university. Many out of state and/or private schools recognize and reward differently. See your particular school for details.

Advanced Placement (AP) at NHS

- ▶ AP® courses are college-level courses offered in high school that help students acquire the skills and habits needed to be successful in college.
- ▶ Application/Enrollment Process: receive recommendations from current teachers, check AP Potential results from PSAT in your College Board account. Submit AP course requests during scheduling.
- ▶ All students enrolled in an AP course are required to take the AP exam in May. Current cost is approximately \$94 per exam.
- ▶ A score of 3 or higher on an AP exam can typically earn students college credit and/or placement into advanced courses in college.

AP vs. CCP

General Advice:

If you think you will attend...

- Akron/Kent/Stark or another state college in Ohio.
 - *CCP
 - * Why? Credits will transfer easily.
- Out-of-state, in-state selective college (private or public) or
- interested in a competitive program of study at a college.
 - *AP
 - *Why? AP has national guidelines for instruction.

How You Will Earn College Credit:

@College: on college campus; receive a college transcript.

@NHS: through a college; receive college transcript.

AP: Exam (1 test, 1 day); college grants you credit
