

Colerain High School

October 21, 2020

To The Colerain High School Community,

Colerain High School takes great pride in being part of our community. We are always excited about honoring community members and groups who have made Colerain Township a special place for these many years. One such group is our Senior Citizens. Each year as a token of our appreciation we honor our seniors with a holiday brunch hosted by our many groups in CHS. It is truly one of the special events and highlights of our year.

Unfortunately due to all of the factors caused by the ongoing COVID pandemic, CHS will not be able to host the Senior Citizen Brunch this coming December. After much deliberation, we feel as if we must take the cautious approach and not risk the health of our seniors and our school community. Arriving at this decision was not easy, but it is the correct one given the uncertain times we find ourselves in currently.

We will continue to look for ways to reach out and honor our seniors in this upcoming holiday season. If there are specific requests, please communicate with me. We want to be an encouragement to our community, especially during these times of need. We look forward to finding ways to contribute to our community.

Thank you,
Jack Fisher
Principal, Colerain High School
